

2023 Black Alumni Summit | October 25–28, 2023

The University of Louisville Black Alumni Summit aims to provide opportunities for Black alumni to reconnect with old friends, meet new faces, recall memories, and build community. Throughout the lineup of events, classmates, friends, students, faculty, and staff will come together to enjoy a weekend of enrichment, social, networking, and athletic activities. The events and programs provide alumni with information about issues pertinent to the future of the University of Louisville, updates on the Black student experience and various opportunities to celebrate being a Cardinal. We expect to connect, engage, and inspire more than 500 Black alumni, students, friends, and supporters throughout the events taking place during the summit.

Through our unique support opportunities, you can select a level of involvement that will meet your needs and budget considerations. Black Alumni Summit partners help the planning committee maintain reasonable event prices and ensure continuous growth to increase engagement and outreach to the university's Black alumni near and far. We hope your company/organization will serve as a partner as we celebrate and move forward in our vision of continued and expanded impact on the campus community and network of Black alumni.

Your partnership will provide excellent exposure of your commitment to diversity to the targeted audience. The generous support of organizations ensures a successful Black Alumni Summit that will help strengthen connections among alumni and foster lifelong relationships with the university that are vital for its growth and prosperity.
