**Day 01 – June 22 | Cape Liberty and New York City**

Depart 4:00pm

This cruise port, the first to be built in New Jersey in 40 years, provides the perfect setting to the beginning or end of any voyage. From the vantage point of the deck, you can look out over the Verrazano-Narrows Bridge, the Statue of Liberty, New York Harbor and all of lower Manhattan.

Statue of Liberty (Cruising)

Experience a top-deck view of the Statue of Liberty, perhaps the world’s best-known icon of freedom, opportunity, migration, democracy, and republican principals. Also known as Lady Liberty, the 151-foot iron and copper statue—305 feet with pedestal and foundation—is ranked among the most popular tourist sites in the United States. A Roman liberty goddess holds a torch above her head and a tablet inscribed “JULY IV MDCCLXXVI,” the founding date of the United States. A broken chain lies at her feet. A gift from France, the symbol was conceived as early as 1865 by Édouard Laboulaye, sculpted by Frédéric-Auguste Bartholdi, engineered by Gustave Eiffel, constructed in Paris, and dedicated in New York Harbor on October 28, 1886.

**Day 02 to 03 – June 23 to 24 | Sea Day**

While at sea, take the time to recharge and enjoy your luxurious ship before the next adventure. Lounge by the pool, be spoiled at the spa, taste the delicacies, explore the venues and entertainment onboard, until arrive at your amazing destination, *BERMUDA!*

**Day 04 to 06 – June 25 to 27 | Royal Naval Dockyard, Bermuda** Arrive 8:30am • 6/25 | Depart 4:00pm • 6/27

Royal Naval Dockyard has something for everyone. Taste local flavors and stroll through the shops and museums. Or have a close encounter at Dolphin Quest, where you can see, pet and swim with these magnificent marine mammals.

**Day 07 – June 28 | At Sea**

While at sea, take the time to enjoy all the amenities and entertainment that your ship has to offer.

**Day 08 – June 29 | Cape Liberty, New Jersey**
